MVR EVALUATIONS
September 25, 2012

1. **What went well?**
   Excellent audiovisuals.
   Brad practiced/adjusted time/content.
   Interesting topic.

2. **Were the goals of this activity met? Please explain why or why not.**
   Yes, clear and to the point.

3. **Should I revise any aspect of this presentation so it would be more effective at meeting the audience's educational needs?**
   Not really, it was advanced for RN's so may want to "watch" language/content.

4. **Can you suggest any additional resources or other strategies that would enhance this instructional activity?**
   Audience "forced" participation: a) depending on cases what would they had done?

5. **Please list three teaching behaviors I displayed that were areas of strength.**
   1) Open and inviting questions
   2) Dynamic/practiced presentation
   3) Knows topic

6. **Please list three teaching behaviors I displayed that could be enhanced or improved upon.**
   One way conversation for >15 minutes. Practice stop-question-move on to keep audience on "edge"

7. **Do you have any recommendations for improvement if I were to give this talk again in the future?**
   More initial discussion after videos.
